# Uniform Rules

## Reception to Year 6

### Shoes

Shoes should be sensible, allowing children to run and play actively at break time. Trainers are not allowed.

### Socks and Tights

Tights need to be navy with no patterns or seam.

White socks may be worn only with the summer dress or kilt during the period of summer uniform (the Summer term and first half of Michaelmas term only). These should be ankle length; trainer socks are not allowed.

Ankle length navy socks should be worn with trousers.

### House badges

Badges will be provided for all students when they join Hurst.

### Personal appearance

Pupils are expected to take pride in their appearance and we appreciate your support in ensuring that your son/daughter looks smart.

### Hair

The following rules apply to all pupils:

Hair must be brushed and tidy

Hair should not be so long that it falls over the face. In particular, it must not obscure the eyes.

Long hair which falls below the shoulder must be tied up neatly. Hair bands/ties should be navy blue.

Braided hair must not be adorned with coloured threads or beads

With the exception of medical reasons, hair must not be shorter than a grade 2 cut (ie. more hair should be seen than skin). Any marked differences in length should be blended so that it is not noticeable

Extreme haircuts or overtly/ aggressively coloured/dyed hair is not permitted

As a consequence of breaking these rules, the pupil may be sent home immediately. The pupil will return once their appearance is deemed to be acceptable and in line with College rules.

### Jewellery

Pupils may wear:

Earrings - one pair of studs, with an earring in each ear lobe

Any other jewellery that is worn will be confiscated until the end of the half term.

### Makeup, cosmetics and nail varnish

Pupils should not wear make-up, nail varnish or bring cosmetic products into school. This includes skincare, beauty and anti-ageing products, perfumes, lip glosses and similar items. Any products brought into school may be confiscated and returned at the end of the day. We encourage pupils to take pride in their appearance while maintaining a school environment that is inclusive, age-appropriate and free from unnecessary social pressures.

# Labelling and Personal Possessions

## Naming items

All clothing, including footwear, should be clearly marked with your child's name.

Sew on labels from the Uniform Shop may take several weeks to be delivered, so please ensure you order well in advance.

The embossing service is available at the Uniform Shop, but please note that this may take a few days for items to be completed.

## Personal possessions

From Year 5, pupils should have a fully-equipped and named pencil case containing the following items:

---

HB pencil

---

Eraser

---

Enclosed pencil sharpener

---

30cm ruler

---

Pair of compasses

---

Protractor

---

Set of colouring pencils (in a named pencil case)

---

Safe pair of scissors

---

Glue stick

---

Please do not allow your child to bring Tipp-ex or spray deodorants into school.

All watches must be named with the owner's name or initials.

Cameras, iPods and other valuable items of equipment should not be brought into school or taken on day trips as the school cannot accept any responsibility for their safety. Musical instruments are an exception.

Borrowing other pupils' kit without permission is not allowed and will be regarded as stealing.

## Lost property

We aim to return lost items to their owners swiftly, although if items they are unnamed this may prove difficult.

At some stage your child may come home with an item of uniform that doesn't belong to them. We would be grateful if you would make sure it is returned to the owner directly or to the school office.

Unclaimed lost property is laid out in the foyer at the end of term. Unnamed items will be given to charity if unclaimed.

# Second-Hand Uniform Shop

## Hurst Foundation

### Second hand Uniform Shop

The Hurst Foundation runs a Second Hand Uniform Shop to raise funds which will directly benefit the pupils. The shop is located behind the main uniform shop – take the path that runs to the right-hand side of the main uniform shop (through the gate), then turn left through the green gates and the shop is on the right.

### Opening times

#### Term time

Mondays 8.00am – 9.30am

First Friday of each month

3.45pm – 5.00pm

Please note, the Second Hand Uniform Shop will not be open during the summer holiday in 2026.

### Selling/Donating

Current uniform for sale can be brought to the shop when it is open or left at any other time with the Lodge. All uniform should be clean and in good condition.

Everything should be clearly labelled with the seller's name and address. A telephone number and bank details should be put in a sealed envelope so payment can be made via BACS. 50% of the proceeds go to the seller and 50% to the Hurst Foundation funds.

Anything not deemed suitable for sale or unsold after 2 years will be donated to charity.

For further information please email [shus@hppc.co.uk](mailto:shus@hppc.co.uk) or contact the Second hand Uniform Shop via the Parent Portal.

In the short term, it makes sense to use up as much of the current stock as possible, particularly for families with older children who are coming to the end of their time in the Middle School. Any unsold items will be donated to charity as part of an initiative to ensure that there is zero landfill as a result of this change. It will, of course, take time to build up a stock of second hand items from the new range, but over the course of the year they will begin to acquire items from children who have quickly outgrown their clothes, and I would urge you to make full use of this excellent resource.

## Sustainability Stevensons

It is important to Hurst that our school uniform is as sustainable as possible.

Our school uniform is provided by Stevensons who have the following sustainability standards:

All recycled fabrics are Global Recycled Standard (GRS) certified.

Fabrics are 100% recycled polyester. The raw material comes from water bottles from which the yarn is created and then knitted into polyester fabric.

## Uniform, the gift that keeps on giving.

Have you ever wondered where all of our old or used uniforms end up?

At Stevensons, we support numerous charities, but we are particularly significant contributors to the Christadelphian Jewish Clothing Relief who assist individuals in need due to financial hardship. Specifically, they provide warm clothing, bedding, and personal items to relieve impoverished people, including those of Jewish and other ethnic backgrounds residing in harsh climates or hostile environments worldwide. Countries that receive such support include Ukraine, Israel, Moldova, Belarus, and Sierra Leone. Stevensons are proud to be able to contribute to this initiative and ensure that any redundant uniform pieces can be used for another purpose rather than ending up in landfill.

## Your Future.

## PlayerLayer

Hurst

The Hurst Sports Kit is created by Player Layer. Their design approach is to create simple, durable, multifunctional sports kit which can be customised and which will last.

Our Hurst Playerlayer Core Sports Kit, which will be stocked in our Uniform Shop, is almost all made from recycled polyester. The exceptions are bags, socks and some of the trim details (e.g. zips, pullers and silicone embellishments).

Player Layer have created sports kit in innovative sustainable ways from materials such as recycled plastic, coffee beans, bamboo charcoal and organic cotton.

### Recycled Plastic

“We take old water bottles and chop them into tiny pieces which can be used as the basic ingredient for our yarns, this is then spun into fabric...”

“Our latest innovation in Recycled materials is a 100% recycled polyester, 100% water proof outerwear fabric.”

### Organic Cotton

“Many of us don’t realise that often, what we wear started life in the soil. Cotton is grown in a field, the fluffy fibre is picked and then spun into thread. Once woven into material it is light, breathable, easy to work with and easy to wear.

There are various sustainable cottons available, but, if you want to be sure what you are buying is grown in a truly sustainable way, certified organic cotton is the best option. Organic is the only system which eliminates highly toxic substances from the environment and instead works holistically, for the long-term benefit of people and the planet.

We use Organic Cotton in our range of Hoodies, Sweatshirts and Tee Shirts. There is always a place for cotton in the athletes kit bag, but let’s make it organic... One Earth, One Team, Belong...”
